To make the identification easier, please write in the comment field the following information in the following format:

NK - Neptun code - your name! (e.g.: NK-AB1234 John Smith).

Important note!

You should place money to **your** Neptun account at least 3 working days before you want to make any money payment in Neptun. Placing money to your Neptun account does not mean **that** you paid the necessary payments!

Under „Finances” menu you can check your list of payment obligations, both paid and still payable. This interface can be used to list your payment obligations (Payments tab)

Neptun will provide a last reminder about the possibility of assigning a payer, as this setting cannot be modified once the item(s) have been paid. If all data is correctly set, click “OK”.

Using the filters you can select which of the transcribed items you want to have displayed. Currently the list can be filtered by semester or the status of the transcribed items by clicking the “Show list” button.

Meaning of status values:

Active: the item is not paid yet.

Being processed: the payment of the items is being processed, but has not been confirmed yet.

Completed: the payment of the items is completed and has been confirmed within Neptun.
